Runnemedede Library celebrates 15 years in new building

September 18th marked the 15th anniversary of the opening of the “new” library. On September 21, 2019 the library hosted an Open House celebration. To greet everyone were several Board of Trustee members and the library staff. Festivities included cake, donuts, face painting, crafts for the kids and pictures with the book worm. As always the library staff and board are proud to serve our community and grateful for the continued support of all our efforts. Stop in to get a library card if you don't have one. Come in and check out all that there is to borrow and do. The library is more than book...it's your community resource center. Follow us on [Facebook](#) for day to day information.
